

Maverick Lock/ALOA Task Force Promo

Our goal is to raise \$50,000 or more for the Task Force!

Maverick Lock Company is offering a special promotion that will allow locksmiths the opportunity to purchase Maverick Lock hardware with a large percentage of the proceeds being donated to the ALOA Task Force. The ALOA Task Force has recently been established to help combat the growing scams that have been plaguing the locksmith industry for approximately eight years. Maverick Lock management is looking to clear out the shelves of its headquarters in Milwaukee, Wisconsin in order to make room for the company's latest venture, which is the SmartLoc Technology product. Maverick Lock has put together several lock hardware promotional packages with reduced prices that will not only allow locksmiths the opportunity to earn a higher profit, but will also help raise funds for the ALOA Task Force.

In order to keep the quick moving items such as entry, storeroom and classroom locks from being purchased first, Maverick has added several other products to the packages in order to help clear out their inventory. Many of the locksmiths consulted during the creation of this promo have stated that all locksmiths should be able to resell all of the products offered in the packages. Maverick will warranty all locks purchased against any factory defects for a period of one year from the date of purchase. Maverick Lock hardware is UL Listed and considered by many locksmiths to be a very reliable lock product.

Maverick has approximately \$250,000 of lock hardware that is available for this promo, and if all of the hardware is sold via this promo, the ALOA Task Force would receive more than \$50,000. At the end of each week, Maverick will add up all of the promo lock packages that have been purchased and a check will be sent to the ALOA Task Force fund. Maverick Lock was founded by Joel Konicek (former founder of Northern Computers, the Milwaukee based card access panel manufacturer) and Jim Heath (28 year locksmith industry veteran and founder of Legal Locksmiths). Both are urging all of the security product manufacturers to follow Maverick's lead and get involved with the fight against the illegal entities that are attacking the locksmith industry and come up with special ways to donate money to the ALOA Task Force fund.

If you would like to purchase one of these promotional packages or if you have additional questions, please e-mail your request to Sales@MaverickLocks.com and a Maverick Lock representative will call you back. Due to the reduced prices and the donations being made to the ALOA Task Force fund, customers will be required to pay by a credit or debit card, and free shipping is not included with this promotion. In addition to this promo, all purchasers will be entered into a drawing for two free airline tickets to the 2012 ALOA Las Vegas Convention (\$600 Value). Drawing will be held January 2nd 2012.

PLEASE NOTE- Since 26D is the most popular finish, we are anticipating that 26D will be the first finish to run out. If you are requesting 26D and we have depleted our stock, you will be given the option of US3 or ORB (Oil Rubbed Bronze).

For a detailed description of all Maverick products, please visit www.MaverickLocks.com

Sales are on a first come first serve basis and offer is only valid while supplies last.
